Attention Northern Hills Churches:

Sanctity of Human Life Sunday is January 24 and we would be greatly blessed to have your church participate in our Baby Bottle Boomerang Campaign on or around this important Sunday.

Participation is easy. Simply contact us and let us know how many baby bottles and bulletin inserts you need for your church. We will then deliver bottles and inserts to you in mid-January which can be distributed to families in your congregation on or around January 24<sup>th</sup>.

If you would like, we can also supply you with a short power-point presentation that can be shown during your services, or a member of our staff or board can come to your church during weekend services to give a short presentation/update on Bella.

The members of your congregation (who take bottles home to fill with change, cash or a check) can then return them 3-4 weeks later. After that, we will pick them up, count the monies collected, and supply your church a report.

Our goal is to make the Baby Bottle Campaign an annual church-wide event for Sanctity of Human Life Sunday. We would greatly appreciate your participation with other churches in our area. However, if this Sunday does not work for you, we would be happy to work with you during another time of the year, such as Father's Day.

Every day, we thank God for the churches that partner with us and pray for the Lord's blessings upon you, your ministry team, and your church membership. Thank you so much for playing such an important role in our ministry.

May the Lord bless you and your loved ones this Christmas Season!

## Sanctity of Human Life Sunday and Bella Pregnancy Resource Center

### Info Sheet

Since 1983, Americans have observed the Sunday closest to the anniversary of Roe v. Wade as a day to celebrate the intrinsic value and worth of all human life. This important day also provides an opportunity for Pregnancy Resource Centers to share about the work they do, bringing life-affirming resources to their communities and empowering women and men to choose life for their unborn children.

2010 Sanctity of Human Life Sunday is January 24.

It is a time to reflect on the preciousness of life from conception to natural death.

**Bella Pregnancy Resource Center is conducting its  
first annual church-wide Sanctity of Human Life Sunday  
Baby Bottle Boomerang Fundraiser Campaign.**

### Ways You Can Help

Bella will provide your church with Sanctity of Human Life bulletin inserts, with information on Bella and the Baby Bottle Campaign, that can be distributed on or around January 24. Along with the inserts, Baby Bottles will be provided for members of your congregation who would like to support this local mission by filling a Baby Bottle with coins, cash or checks.

**This fundraiser provides much needed funds to support the important ministry of the  
Bella Pregnancy Resource Center.**

Thanks to the grace of God and the support of many area churches and individuals, the Bella Pregnancy Resource Center has helped thousands of individuals over the past 23 years. Every week, our dedicated volunteer staff reaches out to dozens of women and men from our area offering the love, hope, and compassion of the Lord Jesus Christ. Bella offers free pregnancy tests, ultrasound confirmation, confidential counsel, and important information and education to those in unplanned pregnancy situations.

There are also many hurting people in our churches and community who need healing because of a past abortion experience. We provide post abortion help and support, offering hope and restoration through Christ.

**If you are willing to support our life affirming ministry please complete the enclosed  
Partnership Form and mail it to Bella by January 4th.**

*This will provide us with enough lead time to order bulletin inserts and Baby Bottles.*
